**ORDER GRANTING PLAINTIFF'S MOTION TO COMPEL**

---

This matter comes before the Court on Plaintiff Estate of Tonya K. Mealman's motion to compel the Wellpath Defendants to fully and completely respond to Plaintiff's second set of requests for production of documents. Plaintiff asserts that it has not received the Wellpath Defendants' responses to these requests, despite its attempts to confer with the Wellpath Defendants in an effort to resolve the matter without court action.

A party may file a motion to compel discovery, under Federal Rule of Civil Procedure 37, when another party fails to respond to interrogatories or requests for production of documents. The Wellpath Defendants have not responded to the motion to compel, and the time to do so has now passed. Accordingly, Plaintiff's motion to compel (Dkt. No. 50) is **GRANTED**. The

Wellpath Defendants must provide their answers to Plaintiff's second set of requests for production of documents within **five days** of the date of this order.

**SO ORDERED** at Green Bay, Wisconsin this 1st day of August, 2022.
